

The screenshot displays a digital workspace interface with two main panels: an **Inbox** on the left and a **Kanban Board** on the right.

**Inbox Panel:**

- Section Header:** **Inbox**
- Add a card:** A button to add new tasks.
- Section Header:** **Consolidate your to-dos**
- Icons:** Five circular icons representing different task types: email, browser, mobile phone, file, and people.
- Note:** **Inbox is only visible to you**

**Kanban Board Panel:**

- Section Header:** **Kanban Board**
- Header Buttons:** **RV**, **≡**, **☆**, **👤**, **Share**
- Columns:** **To Do**, **In Progress**, **Done**
- To Do Column:** Contains cards for "Develop core module" and "Testing and validation".
- In Progress Column:** Contains a card for "Create database schema".
- Done Column:** Contains cards for "Gather project requirements" and "Design system architecture".
- Add a card:** Buttons in each column to add new cards.
- Bottom Navigation:** Buttons for **Inbox**, **Planner**, **Board**, and **Switch boards**. The **Board** button is highlighted.
